

NAPOTKI ZA OBISKOVALCE GUIDANCE FOR VISITORS

Občina Miren - Kostanjevica

MIREN KRAS
CERJE

Dobrodošli na sanjavi strani Slovenije. Vstopate v naravno in zgodovinsko zakladnico spodnje Vipavske doline in goriškega Krasa. Domačini mu pravimo Miren Kras. Kot del družine zelenih destinacij Slovenije smo ponosni na našo zavezo do okolja, narave in lokalne skupnosti. Doživetje miru, veličastnih razgledov in lepote naših krajev vas bo najbolj prevzelo, če jih boste raziskali peš, s kolesom ali na konju. Naravno in krhko ravnovesje v okolju Nature 2000 nam lahko pomagate ohraniti tako, da pustite pri nas svoj zeleni odtis.

Welcome to the Serene Side of Slovenia. You are entering the natural and historical treasure trove of the lower Vipava Valley and the Goriška Karst. Locals call it Miren Kras. As part of the Slovenia Green destinations family, we are proud of our green commitment to the environment, nature and the local community. You will be most impressed by the peace, the magnificent views and beauties of our sites by exploring them on foot, by bike or on a horseback. You can help preserve the nature and its fragile harmony in Natura 2000 environment by leaving your green footprint.

Hvala, ker vozil v mirovanju ne puščate prižganih in jih parkirate izključno na označenih parkiriščih.

Thank you for not leaving vehicles switched on at a standstill and for parking them exclusively on designated parking spaces.

Hvala, ker v naravni prostor ničesar ne prinašate in iz njega ničesar, kar je njegovega ne odnašate, odpadke pa odnesete s sabo oz. jih odložite v namenske zabojnike.

Thank you for not bringing anything to or taking anything from the natural habitat. Please take your waste with you or put it in a designated container.

Hvala, ker hodite in kolesarite samo po označenih in urejenih poteh.

Thank you for walking and cycling only on marked and well-kept routes.

Hvala, ker kampirate samo na označenih, kampiranju namenjenih lokacijah.

Thank you for camping only at locations intended for camping.

Hvala, ker na neoznačenih poteh v naravi, na gozdnih prometnicah in protipožarnih presekah ne uporabljate motornih vozil.

Thank you for not using motorized vehicles on unmarked paths, forest roads and fire roads.

Hvala, ker spoštujete zvočno harmonijo živalskega in rastlinskega sveta in ga ne poskušate preglasiti.

Thank you for respecting the acoustic harmony of animal and plant life and for not trying to drown it out.
